It is also that he took so interest in original and then state convention today nominated

Twenty-fifth regiments of infantry have been ordered to Manila and General Otto has been authorized to organize three akeleton volunteer regiments in Manila officered from clunteers in the Philippines from the regular army. Geneal Otis has mformed the department that he can organize these regiments. It is proposed to nd him recruits from here to fill them o their maximum limit. The arrangeents referred to will give General Otis a fighting force of over 31.000 men of the ine. These plans have been approved by the president and will be put into execuon with the least possible delay. The field and stuff officers and captains o hese three regiments will be selected from he volunteer and regular officers who have demonstrated their special fitness t emmand and who have distinguished emselves in action. It is expected als hat the first Heutenanta will be chosen rom second Heutenants in the service in he Philippines who may be especially ommended by General Otis. The volum ser second lieutemants probably will go ut from the United States with the reoffing squads."

The quartermaster's department has recartered the Zealandia and the Valencia, ransports now at San Francisco, to be sed to carry troops to the Philippines These transports belonged to the Pacific cast fleet, but it was thought they would no langer be required, and they ere put out of commission.

# ENGLISH SYSTEM ADOPTED

Of Keeping at Home a Battalion of Each Regiment Serving Abroad Washington, June 15.—Adjutant General orbin said last night that it was the inne one battation of all regiments serv. ing abroad, of the troops to be stationed Cuba and Porto Rico, as well as the Philippines. It is not intended to immediately order so many of the battations of entire regiments on foreign service, but pects that one battalion of each regiment serving in the Philippines will be brought to the United States and will be the training school for recruits, the hospital for officers and men invalided home, and the station of officers who, after three years service abroad, are ordered to the United States for a change of duty. No definite

And Simple Plan for an Arbitration Tribunal

PROPOSED BY SIR JULIAN

Czar Nicholas Bitterly Disappointed by the Outcome.

London, June 15 .- The correspondent of the Times at The Hague, remarking upon the "changed outlook," says: "It now | seems possible that the conference may achieve some substantial practical result and conclude its labors earlier than was expected. The arbitration commission is new making satisfactory progress. Today (Thursday) there is a fresh proposal in the air, which may safely be attributed to Sir Julian Pauncefote. This consists in making The Hague the sent of a permanent bureau, composed of the resident ministers of foreign states, with the tention of the war department to adopt Dutch foreign minister as president, It is English custom of maintaining at would have the advantage of dispensing with salaried officials, and I venture to predict that the plan will be favorably eceived on all sides and contribute to

the success of arbitration." The Odessa correspondent of the Dally News says: "Emperor Nicholas, it is reported here, is much disappointed at the rospect of the outcome of the peace conterence. In the opinion of his advisers no further hope need be indulged that suffident success will be attained to warran the reassembling of the conference. It is inderstood that neither Germany no Austria will accept a second invitation The Hague, June 15.-The Red Cross auti-committee of the peace conference met today, Prof. Asser, of the Dutch delegation, presiding.
